7.64.0 New Features

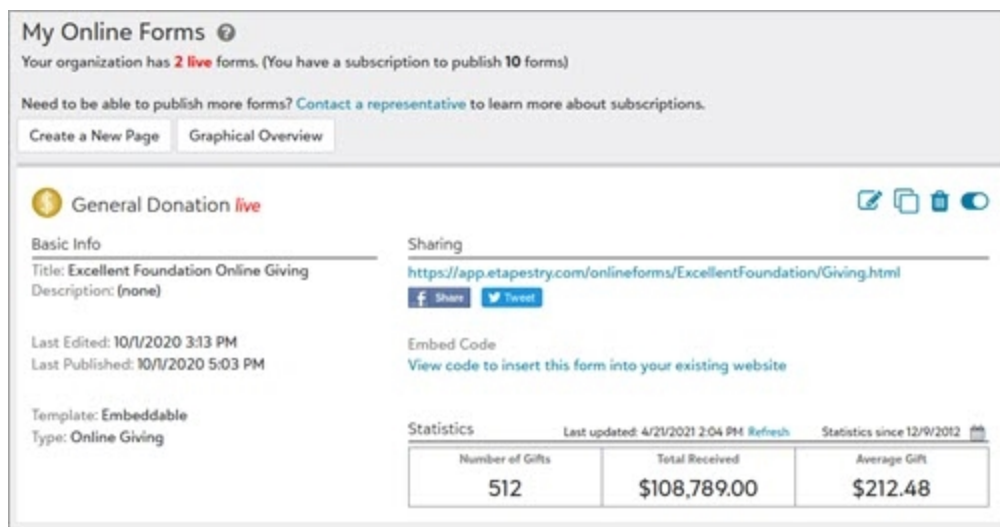

This guide lists new features available in **eTapestry** 7.64.0, released on May 9, 2021.

Session Timeout Duration

To improve security, user sessions will now timeout after 30 minutes of inactivity. After your session expires, you will need to log back in to your **eTapestry** account.

DIY Forms

With this release, DIY Forms has been updated to reflect a modern look and feel to provide a cleaner way to manage your online forms for online giving, event registrations, volunteer registrations, membership, and email sign-ups.

The screenshot displays the 'My Online Forms' dashboard. At the top, it states 'Your organization has 2 live forms. (You have a subscription to publish 10 forms)'. Below this, there are buttons for 'Create a New Page' and 'Graphical Overview'. The main content area shows details for a form titled 'General Donation live'. The 'Basic Info' section includes the title 'Excellent Foundation Online Giving', description '(none)', last edited date '10/1/2020 3:13 PM', and last published date '10/1/2020 5:03 PM'. The 'Sharing' section provides a URL 'https://app.etapestry.com/onlineforms/ExcellentFoundation/Giving.html' and social media share buttons for Facebook and Twitter. The 'Embed Code' section offers a link to 'View code to insert this form into your existing website'. The 'Statistics' section shows a table with the following data:

Number of Gifts	Total Received	Average Gift
512	\$108,789.00	\$212.48

Accounts and DIY Forms: Title Improvements

In response to customer feedback, "Dr." (United States and Canada) and "Dr" (Australia, Great Britain, New Zealand, and Ireland) are now available under Title from Accounts and DIY Forms.

My Organization: Barbados Currency

In response to customer feedback, *eTapestry* now supports Barbados as a currency option from **Management, My Organization**. To select the currency and symbol to use throughout the database, from **Preferences**, select a country under **Currency Options**.
