7.71.0 New Features

This guide lists new features available in **eTapestry** 7.71.0, released on March 13, 2022.

Accounts: Delete Account Role with Transactions or Relationships

Based on your feedback, admin users can now delete account roles with transactions or relationships. Previously, you were unable to delete these roles unless you removed the transactions or relationships from the account.

To delete a role, from an account, select **Account Settings**. On the Account Settings page, under **Tasks**, click **Delete Role**.

For more information, see [Delete a role](#).

Query Preview: Summary Columns

Based on your feedback, we've made improvement to some summary columns in Query Preview:

- You can now add the Received Total - Last Fiscal Year and Received Total - This Fiscal Year columns under the Summary Fields column category.
- The following columns have been renamed to improve clarity:
 - Lifetime Received Total is now Received Total - Lifetime.
 - Year to Date Received Total is now Received Total - This Year.
 - Last Year Received Total s now Received Total - Last Year.

For more information, see [Query Preview Columns](#).

Look and Feel Improvements

To stay current with the latest software standards, we are updating the look and feel of **eTapestry**. Although these updates should not disrupt your current processes, you will likely notice slight changes in navigation or how information appears. With this release, we updated some alerts, graphics, font sizes, field labels, help content, and click-able areas to improve your experience.
