

Blackbaud Checkout

With the April 2022 update, *Blackbaud Checkout* now provides additional and enhanced functionality. Before you begin to work with the updated *Blackbaud Checkout*, review these features and enhancements.

Venmo payment method now available for select customers

To help you increase conversion rates and delight supporters, *Venmo* is now available as a payment method to organizations that had an active ***Blackbaud Merchant Services*** — *PayPal* integration as of March 08, 2022.

Note: In future releases, *Venmo* will be available to all organizations that create new *PayPal* integrations with ***Blackbaud Merchant Services***.

When *PayPal* integration is enabled, the *Venmo* payment method automatically displays as a payment method for one-time, US dollar transactions in ***Blackbaud Checkout*** for the following solutions:

- ***Blackbaud Online Express***
- ***Blackbaud eTapestry***
- ***Blackbaud Luminare Online***

- ***Blackbaud Raiser's Edge NXT***
- ***Blackbaud Church Management***

Note: For mobile devices, only certain web browsers — Safari for iOS and Chrome for Android — are approved to offer *Venmo* as a payment option. Any major web browser may be used on a desktop.

Venmo features include:

- Blackbaud PayPal rate (2.8% + \$0.26) for *Venmo* transactions.
- Support for one-time gifts in US dollars.
- Funds disbursement by *PayPal* to your organization's *PayPal* business account.

To offer *Venmo* as a payment method to your supporters, you must have:

- A ***Blackbaud Merchant Services*** account.
- A *PayPal Commerce Platform* merchant account.
- An active ***Blackbaud Checkout - PayPal*** integration.

Note: To view and reconcile *Venmo* and *PayPal* transactions, and to view disbursements, log into your *PayPal* business account.
